

EDUCATE TOGETHER  
SECONDARY SCHOOL

# RESTORATIVE PRACTICE IN GETSS

# WHAT IS RESTORATIVE PRACTICE?

Positive Relationship building between staff, students and the entire community.

We are members of the **ConnectRP** community, an educational organisation whose goal is to co-create relational school communities.

# HOW DO WE USE RP IN SCHOOL?

## RESPECT posters in all classrooms

## Circles

Circles give students time to reflect and also express themselves in a safe space. We use them to share things about ourselves and also how we feel about certain events.

## Building & Restoring Relationships

Restorative Practice underpins how we relate to each other.

It's a frame of mind and a conscious approach to creating community.

# CIRCLE TIME!

1. What are your energy levels from 1-10?
2. What's your favourite memory from school?
3. One thing you have learned/want to learn tonight

# RP AT HOME

This year, we are facilitating the RP at Home course for Parents.

It's a 10-part webinar, which we will be facilitating online.

**Learning  
Module**

**RP at HOME**

A ten-part learning module for  
parents & guardians

**RP at Home - Positive Communication  
for Everyday Life! (ten-part learning**
