The School Day

Your Timetable

Your Timetable

One of the first pieces of information you will be given in September will be your timetable. It can look a little confusing in the beginning, but that is because it contains a lot of useful information; once you understand it, it will be easier to read.

Your timetable is very important because it not only tells you which lessons you will have that day but it also gives you a clue about the equipment you will need to pack in your bag the night before. It also tells you what time each lesson starts and finishes and in which room they will take place. If you haven't got a watch yet, it might be a good idea to buy one to practice telling the time and getting to places on time. There will be a clock in every classroom if you don't have a watch.

Stick a copy of your timetable on your bedroom wall at home as well as in your locker and journal at school. This will help you to be more organised.

El día escolar

Tu horario

Tu horario

Una de las primeras cosas que recibirás en septiembre será tu horario. Al principio puede parecer un poco confuso, pero es porque contiene mucha información útil; una vez que lo entiendas, te resultará más fácil de leer.

Tu horario es muy importante porque no solo te indica qué clases tendrás ese día, sino que también te da una idea del material que debes preparar en tu mochila la noche anterior. Además, te indica la hora de inicio y finalización de cada clase y en qué aula se impartirán. Si aún no tienes reloj, te conviene comprar uno para practicar la lectura de la hora y llegar a tiempo a todos los sitios. Si no tienes reloj, encontrarás uno en cada aula.

Pega una copia de tu horario en la pared de tu habitación en casa, así como en tu taquilla y agenda en el colegio. Esto te ayudará a organizarte mejor.

The School Day

Your Timetable

Usually the timetable will also let you know which teacher you will have for each subject. Instead of just one teacher, you're going to have to get used to five or more different people being in charge of your class! Often, the timetable will have the teacher's name under the name of the lesson or room number. You can see where your teacher's name would usually be found in the sample timetable above, written in green.

You will probably have 5 or 6 different subjects every day and some will be in special rooms. For example, Science will take place in the lab and Art will take place in the Art Room. You can see where the room name/number for each subject would usually be found in the sample timetable above, written in purple.

Following the timetable will help you to stay organised.

El día escolar

Tu horario

Normalmente, el horario también indicará qué profesor/a tendrás para cada asignatura. En lugar de un solo profesor/a, tendrás que acostumbrarte a que cinco o más personas diferentes estén a cargo de tu clase. A menudo, el horario incluye el nombre del profesor/a debajo del nombre de la clase o el número de aula. Puedes ver dónde suele aparecer el nombre de tu profesor/a en el horario de ejemplo de arriba, escrito en verde.

Probablemente tendrás entre 5 y 6 asignaturas diferentes cada día, y algunas se impartirán en aulas específicas. Por ejemplo, Ciencias se impartirá en el laboratorio y Arte en el aula de Arte. Puedes ver dónde se ubicaría el nombre y el número del aula de cada asignatura en el horario de ejemplo que aparece arriba, en color morado.

Seguir el horario te ayudará a mantenerte organizado.

Clubs

Clubs

Extra-curricular clubs are an extremely important part of our community here at Galway Educate Together Secondary School. Getting involved in school activities outside of regular class is not essential, but it can make settling into your school a lot more fun. It is a great way to meet other students who have similar interests and it is an easy way to try new things. You will be given the chance to suggest clubs that you would like to see running in the school through our student voice program. You will then have the option to attend the club of your choice.

Most clubs run on a Tuesday and Thursday after school for an hour but there are some clubs running at lunchtimes during the week also. It's a great way to get to know other students while having fun.

Clubs

Clubs

Los clubes extracurriculares son una parte fundamental de nuestra comunidad en la Escuela Secundaria Galway Educate Together. Participar en actividades escolares fuera del horario lectivo no es obligatorio, pero puede hacer que la adaptación a la escuela sea mucho más amena. Es una excelente manera de conocer a otros estudiantes con intereses similares y de probar cosas nuevas. Tendrás la oportunidad de sugerir clubes que te gustaría ver en la escuela a través de nuestro programa de participación estudiantil. Después, podrás asistir al club que prefieras.

La mayoría de los clubes se reúnen los martes y jueves después de clase durante una hora, pero también hay algunos que funcionan a la hora del almuerzo entre semana. Es una excelente manera de conocer a otros estudiantes mientras te diviertes.

The School Day

Attendance and Punctuality

Just like in primary school, students need to attend school every day unless the absence is unavoidable. Coming to school every day promotes a positive environment for learning and personal development. It also enhances each student's ability to achieve their full potential. If you do miss a day, your parent/guardian must explain the absence using the school app.

Students also need to arrive to school and classes on time every day. In addition to being essential for the efficient running of the school, learning to be on time is an important life skill. Remember that at GETSS, there is no school bell to let you know when school or class has started or finished. The school opens at 8am and school begins at 8.30am. If you arrive after 8.30am you will need to sign in using the tablet in the office. The main door may be locked and you must then use the buzzer to get into the school. If you are going to be unavoidably late to school, your parent/guardian should let the school know using the school app.

Students are not allowed to leave the school grounds during school hours without permission. Any student who wishes to leave the school early must have permission granted by their parent/guardian in advance, via the school app. When the student leaves, they must sign out using the tablet in the office.

El día escolar

Asistencia y puntualidad

Al igual que en la escuela primaria, los alumnos deben asistir a clase todos los días, salvo ausencias inevitables. La asistencia diaria fomenta un ambiente positivo para el aprendizaje y el desarrollo personal, y potencia la capacidad de cada alumno para alcanzar su máximo potencial. Si faltas un día, tu padre, madre o tutor legal deberá justificar la ausencia mediante la aplicación del colegio.

Los alumnos también deben llegar puntuales a la escuela y a clase todos los días. Además de ser esencial para el buen funcionamiento del colegio, aprender a ser puntual es una habilidad importante para la vida. Recuerda que en GETSS no hay timbre para avisarte de cuándo empiezan o terminan las clases. El colegio abre a las 8:00 y las clases empiezan a las 8:30. Si llegas después de las 8:30, tendrás que registrar tu entrada en la tableta de la oficina. Puede que la puerta principal esté cerrada y tendrás que usar el timbre para entrar. Si vas a llegar tarde al colegio por algún motivo, tu padre/madre o tutor legal debe avisar al colegio a través de la aplicación.

Los alumnos no pueden abandonar el recinto escolar durante el horario lectivo sin autorización. Cualquier alumno que desee salir antes de tiempo debe obtener la autorización previa de sus padres o tutores legales a través de la aplicación del colegio. Al salir, el alumno debe registrar su salida en la tableta de la oficina.

Finding Your Way

Most 6th class pupils feel a little nervous about going to a school which is different or bigger than their primary school. They might feel worried about getting lost, or being late for a lesson because they're not sure of where the room is. The first thing you need to know is that you will rarely go anywhere alone, most of your classes will be with the same people. For this reason, it is less likely that you will get lost.

Remember that if you are unsure of where you're going that you check the door to see what room number you are at, look at the school map or ask a teacher or another student for help.

QUICK TIPS

Before you leave your class, check your timetable to see where you are going to next. This will make it easier to find your way around.

Encontrar tu camino

La mayoría de los alumnos de sexto de primaria se sienten un poco nerviosos al ir a un colegio diferente o más grande que el de primaria. Les preocupa perderse o llegar tarde a clase porque no saben dónde está el aula. Lo primero que debes saber es que rara vez irás solo a algún sitio; la mayoría de las clases serán con los mismos compañeros. Por eso, es menos probable que te pierdas.

Recuerda que si no estás seguro de adónde vas, debes mirar la puerta para ver en qué número de aula te encuentras, consultar el mapa de la escuela o pedir ayuda a un profesor o a otro estudiante.

Antes de salir de clase, consulta tu horario para ver adónde tienes que ir después. Así te resultará más fácil orientarte.

Classroom Layout

There are many classrooms in post primary schools and it is no different here at GETSS. We call our classrooms 'Learning Spaces' (or LS for short) which are numbered from 1-11 in the main building, and 12-15 in the building two. You will see signs on the classroom doors, like the one pictured below, letting you know which learning space number that room is.

We also have a Music room, Art room, Science lab, Home Economics room, Technology room, Computer Science room and Graphics room. The layout of these rooms looks a little bit different than the other learning spaces, as these subjects require more materials and equipment.

For each subject, students will be assigned a particular seat, as we follow seating plans here at GETSS. You will have a different seat in each learning space, which you will be assigned on your first week of school. Because you will move rooms for your option subjects, it means you will get to sit beside different people in different classes. This is a great way to get to know other students who may not be in your main class.

Diseño del aula

En los centros de enseñanza secundaria hay muchas aulas, y en GETSS no es diferente. Llamamos a nuestras aulas «Espacios de Aprendizaje» (o EA, por sus siglas en inglés), numeradas del 1 al 11 en el edificio principal y del 12 al 15 en el segundo edificio. En las puertas de las aulas encontrará carteles, como el que se muestra a continuación, que indican el número del Espacio de Aprendizaje correspondiente.

También contamos con un aula de música, un aula de arte, un laboratorio de ciencias, un aula de economía doméstica, un aula de tecnología, un aula de informática y un aula de diseño gráfico. La distribución de estas aulas es algo diferente a la de los demás espacios de aprendizaje, ya que estas asignaturas requieren más materiales y equipamiento.

En GETSS, cada estudiante tendrá un asiento asignado a una asignatura, siguiendo un plan de asientos específico. Tendrás un asiento diferente en cada aula, el cual se te asignará durante tu primera semana de clases. Como cambiarás de aula para las asignaturas optativas, tendrás la oportunidad de sentarte junto a diferentes compañeros en distintas clases. Esta es una excelente manera de conocer a otros estudiantes que quizás no estén en tu clase principal.

Toilets

There are many different toilets to choose from around your new secondary school. In the main building, you will find boys' toilets and girls' toilet on the second floor. You will also find a girls' and boys' toilet in the new building.

These toilets will have the following symbols on the doors - one for girls, and one for boys

There are also gender-neutral bathrooms on the first floor of the main building and in the new building. Everyone can use these toilets. The symbol for these toilets will look like this:

It is important to always wash your hands after using the toilet. This helps to keep our school safe and hygienic. When drying your hands, you must ensure that the paper towels are put in the bin and not flushed down the toilet. You will see reminders of this on the paper towel dispensers to make sure you don't forget.

Whenever possible, try to use the bathroom before school starts and during the two break times. Leaving class during a lesson can interrupt your learning and distract others, so it is best to avoid it unless it is really necessary. If you do need to go to the bathroom during a lesson, please scan the QR code on the door before leaving the classroom.

Encontrar tu camino

Baños

En tu nuevo instituto encontrarás una gran variedad de baños. En el edificio principal, en la segunda planta, hay baños para chicos y en la segunda, baños para chicas. En el edificio nuevo también encontrarás baños separados para chicos y chicas.

Estos baños tendrán los siguientes símbolos en las puertas: uno para niñas y otro para niños.

También hay baños de género neutro en la primera planta del edificio principal y en el edificio nuevo. Todos pueden usar estos baños. El símbolo para estos baños será el siguiente:

Es importante lavarse siempre las manos después de usar el baño. Esto ayuda a mantener nuestra escuela segura e higiénica. Al secarse las manos, asegúrese de tirar las toallas de papel a la papelera y no al inodoro. Encontrará recordatorios en los dispensadores de toallas de papel para que no lo olvide.

Siempre que sea posible, intenta ir al baño antes de que empiecen las clases y durante los dos recreos. Salir de clase durante la lección puede interrumpir tu aprendizaje y distraer a los demás, así que es mejor evitarlo a menos que sea realmente necesario. Si necesitas ir al baño durante la clase, escanea el código QR de la puerta antes de salir del aula.

Transport

There are lots of ways of getting to school, whether it is by bus, car, bike or walking. You may decide that now you are in secondary school, you want to start arriving to school in a different way than you did in primary school. For example you might start cycling to school instead of being driven by someone else.

If you choose to cycle to school, we have bicycle racks where you can lock your bike securely in the morning. These are located in the car park near the door of the Sports Hall. Don't forget to bring your own bike lock and to wear a helmet!

Bus Eireann currently runs school buses from multiple locations to Galway Educate Together Secondary School. Application for a place on the school bus service occur through the Bus Eireann website each April. Contact Bus Eireann directly for more details. The school bus arrives at the school at 8am each morning. Public buses may also be an option.

Transporte

Hay muchas maneras de ir al colegio, ya sea en autobús, coche, bicicleta o andando. Quizás ahora que estás en secundaria, quieras empezar a ir al colegio de una forma diferente a como lo hacías en primaria. Por ejemplo, podrías empezar a ir en bicicleta en lugar de que alguien te lleve.

Si decides venir en bicicleta al colegio, disponemos de aparcamientos para bicicletas donde podrás dejarla de forma segura por la mañana. Estos se encuentran en el aparcamiento, cerca de la entrada del pabellón deportivo. ¡No olvides traer tu propio candado y llevar casco!

Bus Éireann opera autobuses escolares desde varias localidades hasta la escuela secundaria Galway Educate Together. Las solicitudes para el servicio de autobús escolar se realizan a través del sitio web de Bus Éireann cada mes de abril. Para más información, contacte directamente con Bus Éireann. El autobús escolar llega a la escuela a las 8:00 de la mañana. También puede optar por el transporte público.

In School Supports

Secondary school is no different to primary school when it comes to asking for help, you just have more teachers to ask and this can be daunting. Questions are welcome by all teachers once they are asked in the right way.

We all go through a range of feelings and emotions in one day, this is perfectly normal. When a bad mood or anxious feeling lasts for a long period of time, speaking to your teachers, friends and/or family can be helpful.

Your school has a whole host of people who are trained to help and support you through whatever happens on your journey through post primary.

You can come to any of the staff, at any time, if you need help or would like to talk about something that is worrying you.

Apoyo en la escuela

En la escuela secundaria, pedir ayuda no es diferente a la primaria; simplemente hay más profesores a quienes consultar, lo cual puede resultar intimidante. Todos los profesores agradecen las preguntas, siempre y cuando se formulen correctamente.

Todos experimentamos una variedad de sentimientos y emociones a lo largo del día; esto es perfectamente normal. Cuando el mal humor o la ansiedad persisten durante mucho tiempo, hablar con tus profesores, amigos o familiares puede ser de gran ayuda.

En tu escuela hay un gran número de personas capacitadas para ayudarte y apoyarte en todo lo que ocurra durante tu etapa posterior a la educación primaria.

Puedes acudir a cualquier miembro del personal, en cualquier momento, si necesitas ayuda o si quieres hablar sobre algo que te preocupa.

Getting Organised!

Your Bag

In secondary school you will be using lots of different types of equipment for each class. The increase in the amount of materials you need for post primary school compared to primary school can feel overwhelming, but getting organised and feeling in control of all your new materials will help you feel more confident and settled.

Your Bag

Try to only carry around exactly what you need for each day. Where possible, leave everything else in your locker or at home. You will need to keep your pencil case, journal and iPad in your bag for every class in secondary school.

It is important to clean out your bag regularly as it is amazing what gets lost at the bottom of a messy school bag. It is a good idea to have an A4 zip folder for each subject so that you can keep all relevant copies and materials together in one section. Not only will this keep your bag tidy but it will also help you avoid losing things or getting your copies mixed up.

Label your bag by writing your name on it or attaching a key ring somewhere so that you can easily identify your bag.

¡Organízate!

Tu bolso

En la secundaria, usarás muchos tipos diferentes de material para cada clase. El aumento en la cantidad de materiales necesarios en comparación con la primaria puede resultar abrumador, pero organizarte y sentirte seguro y con el control de todos tus nuevos materiales te ayudará a sentirte más confiado y tranquilo.

Tu bolso

Intenta llevar contigo solo lo estrictamente necesario para cada día. Si es posible, deja todo lo demás en tu taquilla o en casa. Deberás llevar tu estuche, cuaderno y iPad en la mochila para todas las clases en la escuela secundaria.

Es importante limpiar tu mochila con regularidad, ya que es sorprendente la cantidad de cosas que se pierden en el fondo de una mochila escolar desordenada. Es buena idea tener una carpeta con cremallera tamaño A4 para cada asignatura, así podrás guardar todos los materiales y copias relevantes juntos. Esto no solo mantendrá tu mochila ordenada, sino que también te ayudará a evitar perder cosas o mezclar tus copias. Etiqueta tu bolso escribiendo tu nombre en él o colocando un llavero en algún lugar para que puedas identificarlo fácilmente.

Getting Organised! Your Locker

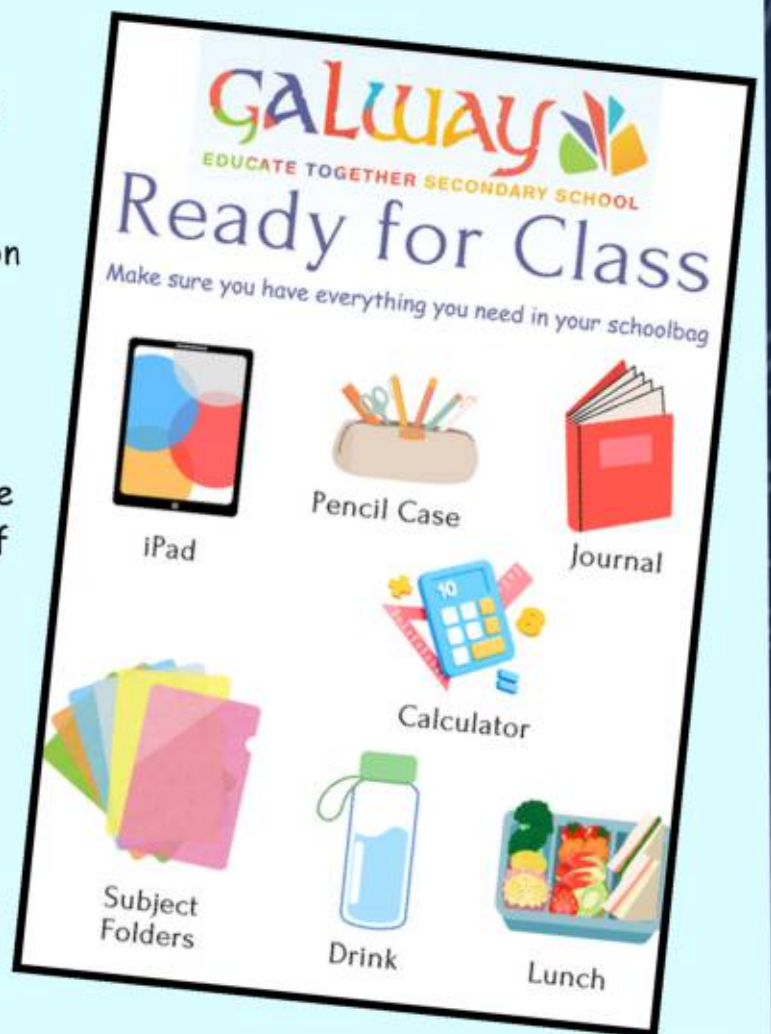

Your Locker

Starting this term, each student will have their own locker at school. Your locker will help you stay organised by giving you a safe place to keep your books, folders, and other materials you need for classes.

You can use your locker when you arrive at school in the morning and during both break times. This will help you make sure you have everything you need for each lesson and keep your school bag tidy and ready for the day.

Inside your locker, you will find the following poster with a checklist of the items that should be in your school bag so that you are always ready for learning.

¡Organízate!

Tu casillero

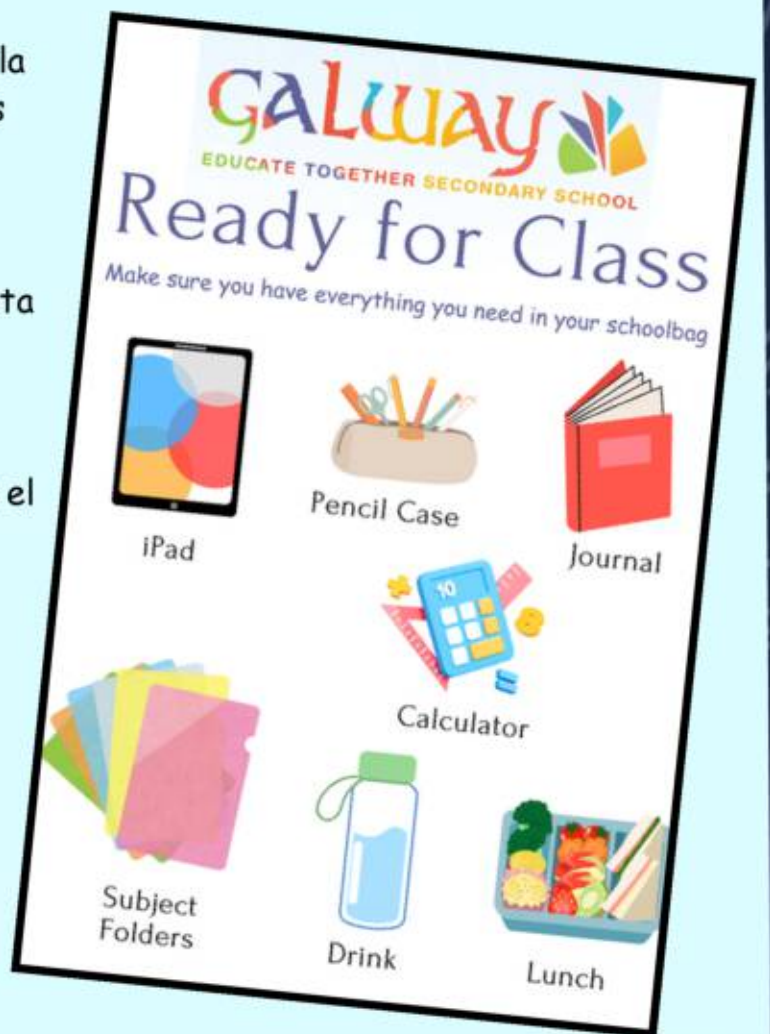

Tu casillero

A partir de este trimestre, cada estudiante tendrá su propio casillero en la escuela. Tu casillero te ayudará a mantenerte organizado, ya que te brindará un lugar seguro para guardar tus libros, carpetas y demás materiales que necesitas para las clases.

Puedes usar tu casillero al llegar a la escuela por la mañana y durante los dos recreos. Esto te ayudará a asegurarte de tener todo lo necesario para cada clase y a mantener tu mochila ordenada y lista para el día.

Dentro de tu casillero encontrarás el siguiente póster con una lista de verificación de los artículos que debes llevar en tu mochila escolar para que siempre estés preparado para aprender.

Getting Organised!

Your Pencilcase

Your Pencil Case

In primary school, most of the equipment you need is kept in the classroom. However, at secondary school, you will be expected to have your own pencils and pens and you will have to carry them all around with you. In your pencil case you should have the following items so you are prepared for class:

Pens	Pencil	Eraser
Ruler	Calculator	Maths Set
Earphones	Glue	Small scissors

QUICK TIPS

Repack your bag each evening with materials and books that you need by looking at your timetable to see what subjects you have the next day so that it is ready to go for the morning, this will save you time.

¡Organízate!

Tu estuche

Tu estuche para lápices

En la escuela primaria, la mayor parte del material que necesitas se guarda en el aula. Sin embargo, en la escuela secundaria, se espera que tengas tus propios lápices y bolígrafos y que los lleves contigo. En tu estuche debes tener los siguientes artículos para estar preparado para la clase:

Bolígrafos	Lápiz	Borrador
Gobernante	Calculadora	Conjunto de matemáticas
Auriculares	Pegamento	tijeras pequeñas

QUICK TIPS

Cada noche, prepara tu mochila con los materiales y libros que necesitas, consultando tu horario para ver qué asignaturas tienes al día siguiente, de modo que esté lista para la mañana siguiente. Esto te ahorrará tiempo.

Getting Organised!

Subject-Specific Requirements

Different teachers and subjects require different materials. This can feel overwhelming in the beginning but if you make a list of the things you need for each subject, you can tick them off as you organise your bag for school the next day. Your teachers will let you know what extra materials you need for each subject during your induction, so you don't need to worry about having these particular items before you start secondary school. Below is list of materials you might need for specific subjects.

Technical Graphics	T-square, colouring pencils
Music	Recorder, earphones, manuscript copy
Art	Art Pack and Art supplies
Applied Technology	Safety goggles
Home Economics	Apron and ingredients on the days you are cooking
PE	Hi-Vis Jacket and appropriate clothing e.g. runners, tracksuit

¡Organízate!

Requisitos específicos de la materia

Cada profesor y cada asignatura requieren materiales diferentes. Al principio puede resultar abrumador, pero si haces una lista de lo que necesitas para cada asignatura, podrás ir tachándolo al preparar tu mochila para el colegio al día siguiente. Tus profesores te indicarán qué materiales adicionales necesitas para cada asignatura durante tu periodo de adaptación, así que no tienes que preocuparte por tenerlos antes de empezar la secundaria. A continuación, encontrarás una lista de materiales que podrías necesitar para asignaturas específicas.

Gráficos técnicos	Regla T, lápices de colores
Música	Grabadora, auriculares, copia del manuscrito
Arte	Paquete de arte y materiales de arte
Tecnología Aplicada	gafas de seguridad
Economía doméstica	Delantal e ingredientes para los días en que cocines.
EN	Chaleco reflectante y ropa adecuada, por ejemplo, zapatillas deportivas o chándal.

Learning Symbols

At GETSS, we call homework 'Home Learning'. Home Learning is so important for your learning journey. Not only does it show your teachers your level of understanding but it also helps you to retain information that you've learned in class. It is important to be organised and to balance your workload in order to avoid stress and forget completing some/all your Home Learning tasks.

The Home Learning Symbols

In your One Notes, you will see the yellow home learning symbol. These will help you to find your home learning easily when you are working at home in the evenings. Your teachers will tell you how much time you will need to spend on each home learning activity.

¡Organízate!

Aprendiendo símbolos

En GETSS, llamamos a la tarea "Aprendizaje en Casa". El Aprendizaje en Casa es fundamental para tu proceso de aprendizaje. No solo les muestra a tus profesores tu nivel de comprensión, sino que también te ayuda a retener la información aprendida en clase. Es importante ser organizado y equilibrar tu carga de trabajo para evitar el estrés y el olvido de completar algunas o todas tus tareas de Aprendizaje en Casa.

Los símbolos del aprendizaje en casa

En OneNote, verás el símbolo amarillo de tareas para casa. Esto te ayudará a encontrar fácilmente tus tareas cuando trabajes en casa por las noches. Tus profesores te indicarán cuánto tiempo debes dedicar a cada actividad.

Your Journal

You will be given a new Student Journal at the start of each school year. This is the best way to keep track of your Home Learning tasks and keep all your reminders in one place. Each Monday during tutor class, you will write all your subjects for the week ahead into your Journal. It is important to keep your Journal neat and tidy at all times. Doing this will help you stay organised with your work.

Your iPad/App

At GETSS, all students use an iPad in class and for most of their Home Learning tasks. Instead of carrying textbooks around for each subject, you will be able to access all your books and classes on your iPad. It is important to **make sure that your iPad is charged every evening** so that you have a full battery for your next day at school. There are many different apps on your iPad that you will use regularly so it is a good idea to familiarise yourself with these **app symbols**.

Safari

This symbol is used to access the internet. You will use the internet regularly in secondary school for research tasks and to access a range of websites.

OneNote

OneNote can be thought of as an online copybook. Through this app you can access all your classes and the content that your teachers have taught you in class. You will use this app both at school and at home for Home Learning so it's a good idea to familiarise yourself with OneNote.

Tu iPad/Aplicación

En GETSS, todos los estudiantes usan un iPad en clase y para la mayoría de sus tareas escolares. En lugar de llevar libros de texto para cada asignatura, podrás acceder a todos tus libros y clases desde tu iPad. Es importante asegurarte de cargar tu iPad cada noche para que tengas la batería completamente cargada para el día siguiente en la escuela. Hay muchas aplicaciones diferentes en tu iPad que usarás con frecuencia, así que es buena idea familiarizarte con los símbolos de estas aplicaciones.

Safari

Este símbolo se utiliza para acceder a internet. En la escuela secundaria, usarás internet con regularidad para tareas de investigación y para acceder a diversos sitios web.

OneNote

OneNote puede considerarse un cuaderno de apuntes digital. A través de esta aplicación, puedes acceder a todas tus clases al contenido que tus profesores te han enseñado. Usarás esta aplicación tanto en la escuela como en casa para el aprendizaje a distancia, así que es buena idea familiarizarte con OneNote.

Getting Organised!

Your iPad/App

Teams

This app is like an online group for all GETSS students. You will be added to a 'Team' for each of your classes where you can access your Home Learning instructions, assignments, ask questions and leave messages for your classmates or teacher about school work. It's a great way to communicate with other students, especially if you have a question while you are at home. Your teachers will leave messages and post on Teams regularly so it's a good idea to check this app every day to make sure you haven't missed any important information.

Outlook

This app is where you will send and receive your emails. Each student is given an email address at the start of the school year.

OneDrive

OneDrive is very important for storing and saving any school work that you have completed on your iPad. It is similar to an online folder where you can keep all your work together in one place. It is important to keep your OneDrive folders tidy and organised so it is easier to find your work when you need it.

¡Organízate!

Tu iPad/Aplicación

Equipos

Esta aplicación es como un grupo en línea para todos los estudiantes de GETSS. Se te agregará a un "Equipo" para cada una de tus clases, donde podrás acceder a las instrucciones de aprendizaje en casa, las tareas, hacer preguntas y dejar mensajes a tus compañeros o al profesor sobre el trabajo escolar. Es una excelente manera de comunicarte con otros estudiantes, especialmente si tienes alguna duda mientras estás en casa. Tus profesores publicarán mensajes en Teams con regularidad, así que es buena idea revisar esta aplicación todos los días para asegurarte de no perderte ninguna información importante.

Perspectiva

Esta aplicación es donde enviarás y recibirás tus correos electrónicos. A cada estudiante se le asigna una dirección de correo electrónico al comienzo del año escolar.

OneDrive

OneDrive es fundamental para guardar y almacenar los trabajos escolares que hayas realizado en tu iPad. Es similar a una carpeta virtual donde puedes mantener todo tu trabajo en un solo lugar. Es importante mantener tus carpetas de OneDrive ordenadas y organizadas para que te resulte más fácil encontrar tus trabajos cuando los necesites.

Looking After Our School

Here at GETSS we strongly believe in acting responsibly when it comes to the waste that we produce. Looking After Our School

Single Use Plastic

The Green Team is a group of students who help us all be more environmentally conscious. They have introduced a policy to make GETSS single-use plastic free. This means that our students and teachers do not bring plastic items that are not reusable to school, such as straws, cling-film and disposable cutlery, disposable plastic bottles and disposable cups. Instead, we encourage our students to bring reusable bottles and lunchboxes and avoid things like tinfoil and plastic bottles.

Cuidando nuestra escuela

Plástico de un solo uso

El Equipo Verde es un grupo de estudiantes que nos ayuda a ser más conscientes del medio ambiente. Han implementado una política para eliminar el plástico de un solo uso en GETSS. Esto significa que nuestros estudiantes y profesores no traen al colegio artículos de plástico no reutilizables, como pajitas, film transparente, cubiertos desechables, botellas de plástico desechables y vasos desechables. En cambio, animamos a nuestros estudiantes a traer botellas y fiambreras reutilizables y a evitar el uso de papel de aluminio y botellas de plástico.

Looking After Our School Eating Healthily

At GETSS we believe that healthy packed lunch can make a valuable contribution to your diet and **future health** as well as your learning.

We are a **water-only school**, students are encouraged to bring a refillable water bottle, as soft drinks, energy drinks, and other processed beverages are not part of our school day.

It is important to include a **balanced variety of foods** so that you can get **all the nutrients you need**. This will help you to concentrate better in class and keep your energy up throughout the day. We often pack the same things for lunch everyday but changing the content of your lunchbox will make it much more enjoyable! Here are some tips on keeping healthy during your time in secondary school:

- Eat plenty vegetables, salad and fruit - up to seven servings a day
- Limit intake of high fat, sugar, salty food and drinks
- Drink lots of water to keep you hydrated (no sugary/energy drinks, please!)
- Choose plenty of whole grains such as wholemeal cereals, breads, potatoes, pasta and rice.
- Choose lean meat, poultry and oily fish. Limit processed salty meats such as sausages, bacon and ham.
- Include eggs, beans and nuts throughout the week.
- Portion size matters: Use the food pyramid as a guide for serving sizes.
- Keep active

Cuidando nuestra escuela

Comer de forma saludable

En GETSS creemos que un almuerzo saludable para llevar puede contribuir de forma valiosa a tu dieta y a tu salud futura, así como a tu aprendizaje.

Somos una escuela donde solo se permite el consumo de agua; se anima a los estudiantes a traer una botella de agua reutilizable, ya que los refrescos, las bebidas energéticas y otras bebidas procesadas no forman parte de nuestra jornada escolar. Es importante incluir una variedad equilibrada de alimentos para obtener todos los nutrientes que necesitas. Esto te ayudará a concentrarte mejor en clase y a mantener tu energía durante todo el día. A menudo llevamos lo mismo para el almuerzo todos los días, pero variar el contenido de tu lonchera lo hará mucho más agradable! Aquí tienes algunos consejos para mantenerte saludable durante tu etapa en la escuela secundaria:

- Coma muchas verduras, ensaladas y frutas: hasta siete porciones al día.
- Limite el consumo de alimentos y bebidas con alto contenido de grasas, azúcares y sal.
- Bebe mucha agua para mantenerte hidratado (inada de bebidas azucaradas ni energéticas, por favor!).
- Elige alimentos integrales como cereales integrales, pan integral, patatas, pasta y arroz.
- Elija carnes magras, aves y pescados grasos. Limite el consumo de carnes procesadas y saladas como salchichas, tocino y jamón.
- Incluye huevos, legumbres y frutos secos a lo largo de la semana.
- El tamaño de las porciones importa: utilice la pirámide alimenticia como guía para determinar el tamaño de las raciones.
- Mantente activo

Student Voice

Educate Together schools are democratic and inclusive in nature. This means that students are presented with opportunities to participate and influence many aspects of school life in Galway ETSS. Students who are actively involved in decisions about their lives are more likely to become successful learners, confident individuals and responsible citizens.

In Galway ETSS students are empowered to engage in decision-making; they can be members of the Student Council, the Green Team and other working groups. Students will not only share their opinions and suggestions on issues that affect them, but they will share their voice by collaborating in decision-making with teachers and adults to improve educational outcomes. You may be given the chance to vote on which novel you would like to study for English when you begin first year, for example. You will be given many opportunities to vote on different learning options, activities and preferences throughout your time at GETSS.

Voz estudiantil

Las escuelas Educate Together son democráticas e inclusivas. Esto significa que los estudiantes tienen la oportunidad de participar e influir en muchos aspectos de la vida escolar en Galway ETSS. Los estudiantes que participan activamente en las decisiones sobre su vida tienen más probabilidades de convertirse en alumnos exitosos, personas seguras de sí mismas y ciudadanos responsables.

En Galway, los estudiantes de ETSS tienen la oportunidad de participar en la toma de decisiones; pueden formar parte del Consejo Estudiantil, el Equipo Verde y otros grupos de trabajo. No solo compartirán sus opiniones y sugerencias sobre temas que les afectan, sino que también participarán activamente en la toma de decisiones con profesores y adultos para mejorar los resultados educativos. Por ejemplo, al comenzar el primer año, se les dará la oportunidad de votar sobre qué novela desean estudiar en inglés. Durante su estancia en GETSS, tendrán numerosas oportunidades para votar sobre diferentes opciones de aprendizaje, actividades y preferencias.

House System & Points

Houses

To help promote a sense of community across all year groups, students will be divided into 6 different houses. This means you will be placed in either the Red, Green, Yellow, Purple, Blue or Orange house with students from other year groups. You will find out which colour house you are placed in during your induction.

Just like in Harry Potter, students can earn house points for their house. Every term, all the house points are added up and the winning house will be rewarded for their efforts at the end of the school year.

How do I earn house points?

There are lots of different ways to earn points for your house. All staff members have tokens which they can award to students (1 token = 1 house point). You can earn a token, for effort, improvement, a good attitude, teamwork, inclusion, kindness, helpfulness, positivity, respect or Random Acts of Kindness. If you receive a token from a staff member, you then place it in the jar that represents your house colour. These jars are on display at the bottom of the stairs near the GP area.

Sistema de la casa y puntos

Casas

Para fomentar el sentido de comunidad entre todos los cursos, los alumnos se dividirán en 6 casas diferentes. Esto significa que se te asignará a una de las casas Roja, Verde, Amarilla, Morada, Azul o Naranja, junto con alumnos de otros cursos. Descubrirás a qué casa perteneces durante tu jornada de orientación.

Al igual que en Harry Potter, los estudiantes pueden ganar puntos para su casa. Cada trimestre, se suman todos los puntos de las casas y la casa ganadora será recompensada por su esfuerzo al final del año escolar.

¿Cómo gano puntos para la casa?

Hay muchas maneras diferentes de ganar puntos para tu casa. Todos los miembros del personal tienen fichas que pueden otorgar a los estudiantes (1 ficha = 1 punto para la casa). Puedes ganar una ficha por esfuerzo, mejora, buena actitud, trabajo en equipo, inclusión, amabilidad, disposición a ayudar, positividad, respeto o actos de bondad espontáneos. Si recibes una ficha de un miembro del personal, debes colocarla en el frasco que representa el color de tu casa. Estos frascos están expuestos al pie de las escaleras, cerca del consultorio médico.

What if..... ?????

I'm late

It is best to be on time for school every day. However, if it is unavoidable that you are late, you must buzz the intercom at the main front door and ask to be let into the school. You must then sign in at the office before you go to class using the tablet.

I forget my iPad

It is a good idea to pack your bag the night before school so that you don't forget your iPad. If you do forget your iPad, you must tell your teachers. The teacher may then tell you to go to the office and ask Georgina, the school secretary, if you can call home and ask for a parent/guardian to drop your iPad to the school. There may not always be someone available to drop your iPad to school if you forget it, so it is wise to always check that it is in your bag before you leave for school.

I feel sick

It isn't nice to feel unwell, especially at school. If you do become unwell at school, you should tell a staff member. We will make sure that we do all we can to make you feel better. There is a first aid kit and water available in the school office if required.

Y si....

???????

Voy tarde

Lo ideal es llegar puntual a la escuela todos los días. Sin embargo, si es inevitable llegar tarde, debe tocar el interfono de la puerta principal y pedir que le abran la puerta. Luego, debe registrar su asistencia en la oficina antes de ir a clase usando la tableta.

Olvidé mi iPad

Es buena idea preparar tu mochila la noche anterior para no olvidar tu iPad. Si lo olvidas, debes avisar a tus profesores. Es posible que te pidan que vayas a la secretaría y le preguntes a Georgina si puedes llamar a casa para pedirle a un padre o tutor que lleve tu iPad al colegio. No siempre habrá alguien disponible para llevar tu iPad si lo olvidas, así que es recomendable comprobar siempre que está en tu mochila antes de salir.

me siento enferma

No es agradable sentirse mal, sobre todo en el colegio. Si te encuentras mal en el colegio, debes avisar a un miembro del personal. Haremos todo lo posible para que te sientas mejor. En la secretaría del colegio hay un botiquín de primeros auxilios y agua a tu disposición.

What if..... ?????

I don't understand something in class

You will be learning lots of new things in secondary school and there might be times where you don't understand something in class. This can happen to a lot of new students but your teachers and SSAs are there to help. It is perfectly ok to ask questions when needed. You can put up your hand in class, post a question on teams or even ask a classmate to explain something to you if you are confused.

My iPad battery is dead

It is important to stay organised and charge your iPad every night to make sure you are ready for school the next day. If there is a day where you have forgotten to charge your iPad fully and the battery dies while at school, you can ask a teacher if you can plug it in to charge in the classroom. If you don't have a charger, a teacher may be able to let you borrow one temporarily. It's important to get into the habit of charging it at home though and avoid having your iPad battery die while at school as the charging sockets are not located near the desks. This means you will be without your iPad while it charges and you may be unable to do your school work properly.

Y si....

???????

No entiendo algo en clase.

Aprenderás muchas cosas nuevas en la secundaria y puede que haya momentos en los que no entiendas algo en clase. Esto les pasa a muchos estudiantes nuevos, pero tus profesores y el personal de apoyo están ahí para ayudarte. No dudes en preguntar cuando lo necesites. Puedes levantar la mano en clase, publicar una pregunta en Teams o incluso pedirle a un compañero que te explique algo si tienes dudas.

La batería de mi iPad está agotada.

Es importante mantenerse organizado y cargar el iPad todas las noches para asegurarse de tenerlo listo para la escuela al día siguiente. Si un día olvidas cargarlo completamente y la batería se agota en la escuela, puedes preguntarle a un profesor si puedes conectarlo para cargarlo en el aula. Si no tienes cargador, un profesor podría prestarte uno temporalmente. Sin embargo, es importante adquirir el hábito de cargarlo en casa y evitar que la batería del iPad se agote en la escuela, ya que los enchufes no están cerca de los pupitres. Esto significa que te quedarás sin tu iPad mientras se carga y es posible que no puedas hacer tus tareas escolares correctamente.

What if..... ?????

I am upset

We all go through a range of feelings and emotions in one day, this is perfectly normal. If you are feeling upset, speaking to a teacher, your friends and/or family can be helpful. At GETSS, we have a whole host of people who are trained to help and support you if you are feeling upset at school. You can come to any of the staff, at any time, if you need help or would like to talk about something that is worrying you. If you are unsure about who to speak to, you should start by talking to your Tutor.

I can't find my classroom

Starting in a new school can be daunting and you may be unsure of where all the classrooms are at the very beginning. If you get lost on the school grounds and can't find your classroom, there are lots of people you can ask for help. Any teacher or another student from second/third year who are more familiar with the school layout will be happy to show you where to go. If you can't find anyone to ask, you can always look at the map in this transition booklet to see where you should go. It is a good idea to keep a copy of this booklet in your bag so you always have a map to hand.

Y si....
???????

Estoy molesto

Todos experimentamos una variedad de sentimientos y emociones a lo largo del día, y esto es perfectamente normal. Si te sientes mal, hablar con un profesor, tus amigos o familiares puede ser de gran ayuda. En GETSS, contamos con un amplio equipo de profesionales capacitados para ayudarte y apoyarte si te sientes mal en el colegio. Puedes acudir a cualquier miembro del personal, en cualquier momento, si necesitas ayuda o si quieres hablar sobre algo que te preocupa. Si no sabes con quién hablar, empieza por hablar con tu tutor.

No encuentro mi aula

Empezar en un colegio nuevo puede resultar intimidante y al principio puede que no sepas dónde están todas las aulas. Si te pierdes en el recinto escolar y no encuentras tu aula, hay mucha gente a la que puedes pedir ayuda. Cualquier profesor o alumno de segundo o tercer curso que conozca bien el colegio estará encantado de indicarte el camino. Si no encuentras a nadie a quien preguntar, siempre puedes consultar el mapa de este folleto de transición para orientarte. Es buena idea llevar una copia de este folleto en la mochila para tener siempre un mapa a mano.

What if..... ?????

I need to make a phone call

Mobile phones are not allowed to be used at GETSS. You are allowed to have your phone with you, but it must be switched off at all times when you are at school. Sometimes you may need to make a phone call to a parent/guardian and in this case, you should come to the school office and ask if you can make a call. It is not permitted to turn on your mobile phone to make a call during school hours. If you are on your phone in the school building, it will be confiscated.

I need a movement break

Each of our classes at GETSS run for 1 hour. This might feel like a long time to sit in one place compared to primary school. Many teachers will plan for a stretch break at different points in their class to allow students to stretch and move. This will help you to concentrate better in class after some movement. If you need to take movement breaks more regularly, you should speak to your Tutor or ask a parent or guardian to contact Katriona Woods, teacher who will be able to help.

Y si....
???????

Necesito hacer una llamada telefónica

En GETSS no está permitido el uso de teléfonos móviles. Puedes traer tu teléfono, pero debe permanecer apagado en todo momento mientras estés en la escuela. En ocasiones, es posible que necesites llamar a un padre/tutor; en ese caso, debes dirigirte a la oficina de la escuela y preguntar si puedes realizar la llamada. No está permitido encender el teléfono móvil para llamar durante el horario escolar. Si utilizas tu teléfono dentro del edificio escolar, te lo confiscarán.

Necesito un descanso para moverme.

Cada una de nuestras clases en GETSS dura una hora. Puede parecer mucho tiempo sentados en comparación con la primaria. Muchos profesores incluyen pausas para estirarse en diferentes momentos de la clase para que los alumnos puedan moverse. Esto les ayudará a concentrarse mejor. Si necesitan hacer pausas para moverse con más frecuencia, hablen con su tutor o pídanle a un padre o tutor que se comuniquen con Katriona Woods, profesora que podrá ayudarles.

What if..... ??????

I forget my lunch

Eating a lunch is very important when you are in secondary school. Not only will it stop you from being hungry but it will provide you with the energy you need for the day. Just like your iPad, it is a good idea to check and see if you have put your lunch in your bag before you leave for school. On the rare incident that you may have forgotten to bring your lunch, you should go to the school office and speak to Noreen or tell one of your teachers.

Y si....

??????

Olvidé mi almuerzo

Comer el almuerzo es muy importante en la secundaria. No solo te ayudará a calmar el hambre, sino que también te dará la energía necesaria para el día. Al igual que con tu iPad, es buena idea revisar si has guardado tu almuerzo en la mochila antes de salir para la escuela. En el improbable caso de que lo hayas olvidado, debes ir a la secretaría y hablar con Noreen o avisar a alguno de tus profesores.

Preparing for secondary

How to prepare for secondary school over the summer holidays

-  We hope this transition booklet will have given you a better idea of what to expect before you start at Galway Educate Together Secondary School. There are lots of ways to prepare for post primary school over the summer holidays in addition to the information we have provided here.
-  Familiarise yourself with the school map and practice locating certain classrooms on it. For example, you might plan out which route you could take to get from Learning Space 3 (LS10) to the Art room.
-  Review the sample timetable in this booklet to make sure you understand how to read it. Look for the room number, teacher's name and subject.
-  Practice packing your school bag. This might involve reading a sample day from the timetable and packing everything that you would need for your classes that day e.g. Hi-Vis jacket for PE, Geography copy, fully charged iPad etc.
-  Get your equipment prepared - make sure to have all the required equipment ready before you come to secondary school e.g. pens, pencils etc.

Preparación para la educación secundaria

Cómo prepararse para la escuela secundaria durante las vacaciones de verano

-  Esperamos que este folleto de transición les haya dado una mejor idea de qué esperar antes de comenzar en la escuela secundaria Galway Educate Together. Hay muchas maneras de prepararse para la escuela secundaria durante las vacaciones de verano, además de la información que les hemos proporcionado aquí.
-  Familiarízate con el mapa del colegio y practica localizando las aulas. Por ejemplo, puedes planificar la ruta que seguirías para ir del Aula 3 (LS10) al aula de Arte.
-  Revisa el horario de ejemplo que se incluye en este folleto para asegurarte de que entiendes cómo leerlo. Busca el número de aula, el nombre del profesor y la asignatura.
-  Practica preparando tu mochila escolar. Esto podría consistir en leer un ejemplo de un día en el horario y empacar todo lo que necesitarías para tus clases ese día, por ejemplo: chaleco reflectante para educación física, cuaderno de geografía, iPad con la batería completamente cargada, etc.
-  Prepara tu equipo: asegúrate de tener todo el material necesario listo antes de venir a la escuela secundaria, por ejemplo, bolígrafos, lápices, etc.

Preparing for secondary

How to prepare for secondary school over the summer holidays

-  Get in the habit of charging your iPad every evening. The more you practice this habit, the less likely you are to forget to do it when you start secondary school. Make it as regular as brushing your teeth!
-  Take time looking through the apps on your iPad. It might be a while before you fully understand how every app works but it is a good idea to get a head start by browsing through them before you start post primary school.
-  Practice reading the time (digital or analogue). In secondary school, it is important to know the time so you are able to read your timetable and arrive/leave class when you need to. There will be a clock in every classroom and a digital clock will be on your iPad. You may choose to wear your own watch too.
-  Have a look at our social media pages to get a feel for what school is like at GETSS. You will see lots of examples of all the hard work and fun activities our students do each year.

Preparación para la secundaria

Cómo prepararse para la escuela secundaria durante las vacaciones de verano

-  Acostúmbrate a cargar tu iPad todas las noches. Cuanto más practiques este hábito, menos probable será que olvides hacerlo cuando empieces la secundaria. ¡Hazlo tan habitual como lavarte los dientes!
-  Dedica tiempo a explorar las aplicaciones de tu iPad. Puede que tardes un tiempo en comprender completamente cómo funciona cada una, pero es buena idea empezar a familiarizarte con ellas antes de comenzar la educación secundaria.
-  Practica leer la hora (digital o analógica). En la escuela secundaria, es importante saber la hora para poder consultar tu horario y llegar/salir de clase a tiempo. Habrá un reloj en cada aula y un reloj digital en tu iPad. También puedes usar tu propio reloj.
-  Visita nuestras redes sociales para hacerte una idea de cómo es la vida escolar en GETSS. Verás muchos ejemplos del esfuerzo y las divertidas actividades que realizan nuestros alumnos cada año.
